- ✓ HEAT SHRINKABLE SLEEVES
- ✓ WIRING ACCESSORIES
- ✓ COPPER LUGS
- ✓ COOLING SOLUTIONS
- ✓ CONTROL PANEL ACCESSORIES

About Us :

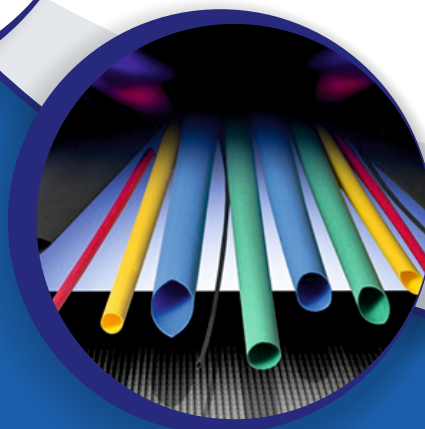

- ✓ “Samir Trading Corporation”, we are a name to reckon with in the field of Control Panel Accessories and Wiring Accessories. We are one of the leading Manufacturer and Suppliers of Control Panel Accessories and wiring Accessories in Gujarat.
- ✓ We are Since 1982 in the Electrical Industry and in the Cable Tie industry since year 1986, with such a long experience we have the determination and the foresight to offer a wide range of high quality electrical products to Control panels manufacturers, Machine manufacturers, Electrical contractors, etc.
- ✓ We are Authorized Dealer of KSS make cable ties and wiring accessories in Gujarat. KSS is a leading manufacturer of cable ties and wiring accessories in Asia. KSS is an ISO9001 & ISO 14001 & OHSAS 18001 certificated company and has been approved by UL, CSA, VDE, DNV, GL, LLOYD, CE, ABS, IP68
- ✓ We are manufacturer of Cable Tie Support/Tie Mounts/Cradle in Sure Stick Make. We produce one of the finest qualities of Cable tie mounts in different types of materials. Our wide range of Cable tie mounts serves all kinds of application.

WOER HEAT SHRINKABLE SLEEVES

- ✓ ShrinkFlex 2:1 polyolefin heat shrink tubing is an effective and economical way to professionally finish the ends of any wire harness application. The over-expanded product configuration easily fits over the end of a connector, and shrinks down to 33% of its original diameter to fit snugly over the wires. With our wide assortment of bright colors, now you can attractively color coordinate the ends of our expandable braided sleeving.

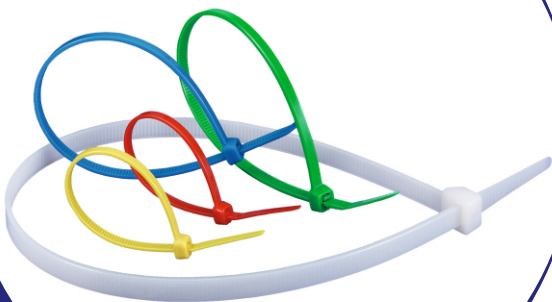

- ✓ Flexible
- ✓ Zero halogen
- ✓ Flame retardant
- ✓ Low smoke generation if burning
- ✓ Continuous Operating Temperature:-45 to 125
- ✓ Shrink Temperature:120
- ✓ RoHS and Sony compliant

KSS CABLE TIES

- ✓ Material: Nylon 66 (UV RESISTANT BLACK)
- ✓ Carbon black was added for greater resistance to ultra violet in outdoor usage.
- ✓ Prolong useful life of cable tie under sunshine/outdoor application.
- ✓ UV resistant cable tie: for outdoor use with UV feature.
- ✓ Operating Temp : -85° C
- ✓ Features: Cable Tie is an economical & versatile method of cable/wire bunching Systems Cable tie has self locking & one piece construction which ensure the fast & easy installation. Non releasable Cable tie, once locked cannot be opened or reused
- ✓ Test Certificate : UL, CSA, VDE, DNV, GL, LLOYD, CE, ABS, Ip68
- ✓ Use : For Indoor wiring, Outdoor Wiring, Cable bunching, packing bags, Bundling Pipes, etc
- ✓ Applications in: Control Panel Manufacturers, Machine Manufacturers, Electrical Contractors, Telecom Industry, Marine Industry, Pharmaceutical Industry, Automobile Industry, Packaging Industry, Chemical Industry, Aviation Industry, Food Industry, Locomotive Industry, Windmills, Information Technology, Ship building Industry, Logistics and Courier, Appliance Manufacturer, Drip Irrigation System.

STAINLESSSTEEL CABLE TIES

Securely anchor hoses, cables, poles, pipes and more, even in marine environments or other harsh conditions.

Fully adjustable, self-locking Type 316 Stainless Steel cable ties are nonmagnetic and can be used indoors, outdoors, and underground - anywhere corrosion, vibration, weathering, radiation and temperature extremes are of concern. Strong and reliable, cable ties resist up to 100 pounds of unlocking force.

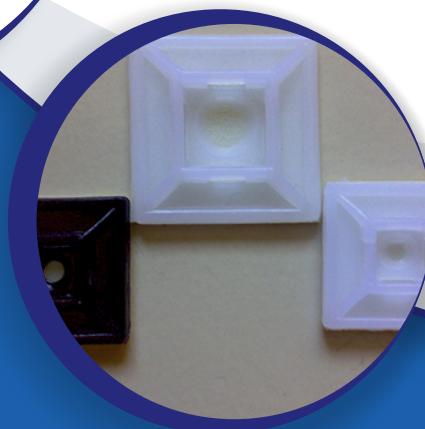

Low profile one-piece clamps have smooth edges for safe, efficient handling and a tapered tail for easy installation.

- ✓ Coated : 4.6 mm, 7.9 mm, 12 mm
- ✓ UnCoated : 4.6 mm, 7.9 mm, 12 mm

CABLE TIE MOUNTS

This cable tie mounting pad product Saves cable tie cinching time and features easy insertion of cable ties while also saves positioning time. The acrylic based adhesive provides a strong and reliable hold. This product is available in Black and Natural. The four way orientation allows for calbe ties to travel in any direction.

Brand	Type	Size (mm x mm)
Sure Stick	Deer Four Pillar Yellow, Special Stickiness Tape, Deer Four Pillar BLACK	19x19, 25x25
KSS/3MM		19x19, 25x25
Panduit		19x19, 25x25

FAN AIR VENTS

We offer a wide range of optimum quality Air Vent to our valuable customers. These vents are manufactured from high quality materials that are sourced from trusted vendors of the industry. Owing to their robust design, durability and hassle-free installation, these vents are highly demanded in the market.

Features:

- ✓ Easy to install
- ✓ Longer functional life
- ✓ Sturdiness in construction

KOSMOS-CABLE-TIES

Complete your custom sleeving project with one of these cable tie options. The variety of different options helps provide the perfect solution for different applications.

When heatshrink tubing just isn't right for your application, cable ties may be the answer. Easy to use Nylon cable ties are perfect for virtually any bundling or management application. Economical, yet strong ties resist heat and abrasion. These cable ties produce a nice, neat appearance on any cable management application.
